

Red Sea

The slave was punished as the master,
The common man suffered the same loss as the king,
They had corpses too many to count,
The living were not sufficient to bury them,
In an instance their most valued children were dead,
Though they disbelieved everything,
Yet when their first-borns were killed,
They acknowledged Israel to be God's sons and daughters,
Your all-powerful word leaped from heaven,
From the royal throne into the doomed land,
A stern warrior carrying a sharp sword,
Stood and filled all things with death,
He touched heaven while standing on earth,
Apparitions in dreadful dreams greatly troubled them,
Unexpected fears assailed them,
Because the disturbing dreams warned them,
So that they might not die without,
Knowing why they suffered,
A plague came upon the multitude in the desert,
But the wrath never continued for long,
A blameless man was quick to act as champion,
He brought forward the shield of his ministry,
He withstood the anger and put an end to the disaster,

Showing that he was Your servant,
He conquered the wrath by appealing,
To the oaths and covenants given to our fathers,
When the bodies had fallen one after the other in heaps,
He held back the wrath and cut its way to the living,
Upon his robe the whole world was depicted,
The glories of the fathers were engraved,
On the four rows of stones and,
Your majesty on the diadem upon his head,
God knew in advance the future actions of the ungodly,
Though they permitted Your people to depart,
And hastily sent them forth,
They would change their minds and pursue them,
While they were still busy lamenting,
They reached another foolish decision,
They pursued as fugitives those whom,
They had begged and compelled to depart,
The fate they deserved drew them to this end,
And made them forget what had happened,
In order to fill up the punishment,
Which their torment still lacked,
Your people experienced an incredible journey,
But the Egyptians met a strange death,
The whole creation was fashioned anew,

That Your children might be kept unharmed,
The cloud was seen overshadowing the camp,
Dry land emerging where water had stood,
An unhindered way out of the red sea,
A grassy plain out of the raging waves,
Where those protected by Your mighty hand,
Passed through as a nation,
After gazing on marvelous wonders,
They raged like horses and,
Leaped like lambs praising You,
O Lord who delivered them,
Because they still recalled the events of the sojourn,
In everything, O Lord, You have exalted and glorified Your people,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Eyes of the Lord

The sands of the sea, the drops of rain,
And the days of eternity, who can count them?
There is One who is wise, greatly to be feared,
Sitting upon His magnificent throne,

The fear of the Lord is glory and exultation,
Gladness and a crown of rejoicing,
Great is the might of the Lord,
He is glorified by the humble,
Stretch out your hand to the poor,
So that your blessings may be complete,
The bee is small among flying creatures,
But her product is the best of best things,
The works of the Lord are wonderful,
And His works are concealed from men,
It was He, who created man in the beginning,
He left him in the power of his own inclination,
You can keep the commandments,
To act faithfully is a matter of your own choice,
He has placed before you fire and water,
Stretch out your hand for whichever you wish,
Before a man are life and death,
Whichever he chooses will be given unto him,
He will find gladness and a crown of rejoicing,
And acquire an everlasting name,
Behold; heaven and the highest heaven,
The abyss and the earth,
Will tremble at His visitation,
The mountains and the foundations of the earth,

Shakes with trembling when He looks upon them,
Like a tempest which no man can see,
So most of His works are concealed,
He arranged His works in an eternal order,
And their dominion for all generations,
Praise His holy name to proclaim the grandeur of His works,
He established with man an eternal covenant,
He showed man His Judgements,
Our eyes see His glorious majesty,
Our ears hears the glory of His voice,
The Lord created man out of the earth and,
Turned him back to it again,
All our works are as the sun before Him,
His eyes are continuously upon our ways,
Afterwards He will arise and requite us,
He will bring recompense upon our heads,
Who will sing praises to the Most High in hades,
As do sing them that are alive and give thanks,
From the dead, thanksgiving ceased,
He who is alive sings praises to the Lord,
He marshals the hosts of the heights of heaven,
But all men are dust,
He who lives forever created the universe,
The Lord alone will be declared righteous,

O Lord, Father and Ruler of my life,
Remove from me evil desire and haughty eyes,
Let not gluttony or lust overcome me,
O Lord, Father and Ruler of my life,
The eyes of the Lord ten thousand times,
Brighter than the sun at its peak,
They look upon all the ways of man,
And perceive all hidden secrets,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Wisdom

Observe that I have not labored for Myself alone,
But for all who seek instruction,
I will pour out teaching like prophesy and,
Leave it for future generations,
I will make instruction shine forth like the dawn,
And I will make it shine afar,
I will water My orchard and drench My garden pot,
My canal became a river and My river became a sea,
I went forth like a canal from a river and,

Like a water channel into a garden,
Just as the first man never knew My personality,
The last one has not fathomed Me,
Like a vine I caused loveliness to bud,
My blossoms became glorious and abundantly fruitful,
Come you, who desire Me and eat your fill of My produce,
Because the remembrance of Me is sweeter than honey,
My inheritance is sweeter than the honeycomb,
Those who eat of Me will hunger for more,
Those who drink of Me will thirst for more,
Whoever obeys Me will never be put to shame,
Those who work with My help will sin no more,
All this is the book of the covenant of the Most High,
The law which Moses commanded us,
As an inheritance for the congregation of Jacob,
It fills men with wisdom like the Tigris,
It makes them full of understanding like the Euphrates,
It makes instruction shine forth like light,
Wisdom will praise herself and glory in the midst of the people,
In the assembly of the Most High she will open her mouth,
And in the presence of His hosts she will glory,
I came forth from the mouth of the Most High,
And covered the earth like mist,
I dwell in high places; my throne was in a pillar of cloud,

Alone I have made the circuit of the vault of heaven,
In every nation I got a possession,
Among all these I sought a resting place,
The Creator of all things gave me a commandment,
He said: make Your dwelling in Israel and,
In Israel receive Your inheritance,
From eternity, the Eternal One, created Me,
And into eternity I shall never cease to exist,
In the holy tabernacle I minister before Him,
So I was established in Zion,
In the beloved city He gave Me a resting place,
And in Jerusalem was My dominion,
So I took root in an honored people,
In the portion of the Lord,
Who is their inheritance,
I grow tall like cedars in Lebanon,
And like rose plants in Jericho,
I give forth an aroma of spices,
Like myrrh I spread a pleasant odor,
Like the fragrance of frankincense in the tabernacle,
I spread of My branches and,
My branches are glorious and graceful,
Come you who desire Me and,
Eat your fill of My produce,

Because the remembrance of Me is sweeter than honey,
And My inheritance sweeter than the honeycomb,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Garden of Blessing

Have mercy upon us, O Lord of all, and look over us,
Cause the fear of You to fall upon all nations,
Have mercy, O Lord, upon the people called by Your name,
Have pity on the city of Your sanctuary, the place of Your rest,
Fill Zion with the celebration of Your wondrous deeds,
And Your temple with Your glory,
Bear witness and fulfill the prophecies spoken in Your name,
All who are on earth will know that You alone are Lord,
The God of all ages,
He gave skills to men that,
He might be glorified in His marvelous works,
Listen to me O you holy sons and bud like a rose,
Growing by a stream of water,
Send forth fragrance like frankincense,
And put forth blossoms like a Lilly,

Scatter the fragrance and sing a hymn of praise,
Bless the Lord for all His works,
Ascribe majesty to His name and give thanks to Him with praise,
With the songs of your lips,
All things are the works of the Lord,
Because they are very good and,
Whatever He commands will be done in His time,
The works of all flesh are before Him,
Nothing can be hidden from His eyes,
From everlasting to everlasting He beholds them,
The fear of the Lord is like a garden of blessing,
It covers a man better than any glory,
Riches and strength gladden the heart,
The fear of the Lord is better than both,
Wine and music gladden the heart,
The love of wisdom is better than both,
The flute and the harp make pleasant melody,
A pleasant voice is better than both,
All things that are from the earth turn back to the earth,
What is from the water returns to the seas,
All bribery and injustices will be blotted out,
But good faith will stand forever,
Kindness is like a garden of blessing,
And almsgiving endures forever,

Never lead the life of a beggar,
It is better to die than to beg,
By the words of the Lord His works are done,
The sun looks at everything with its light,
And the works of the Lord are full of His glory,
The Lord has not enabled His holy ones to,
To recount all His marvelous works and deeds,
Which the Lord Almighty has established,
That the universe may stand firm in His glory,
He has ordained the splendors of His wisdom,
He is from everlasting to everlasting,
Nothing can be added or taken away,
The glory of the stars is the beauty of heaven,
A gleaming array in the height of the Lord,
At the command of the Holy One they stand as ordered,
They never relax in their watch,
Look upon the rainbow and praise Him who made it,
Exceedingly beautiful in its brightness,
It encircles heaven with its glorious arc,
The hands of the Most High have stretched it out,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,

And His name One.

The All

The storehouses are opened,
And the clouds fly forth like birds,
In His majesty He amasses the clouds,
And the hailstones are broken in pieces,
At His appearing the mountains are shaken,
At His Will the south wind blows,
The voice of His thunder rebukes the earth,
He scatters the snow like birds flying down,
And its descent is like locusts alighting,
The eye marvels at the beauty of its whiteness,
And the mind amazed by the beauty of its falling,
He pours frost upon the earth like salt,
When it freezes it becomes like pointed thorns,
The north wind blows and ice freezes over the waters,
The water puts it on like a breastplate,
He burns up the wilderness and withers the grass like fire,
When dew appears all things refresh from the heat,
Though I speak much I can never reach the end,
He is the All,
Where shall we find strength to praise Him,
He is bigger and greater than the sum of all His works,

I know that His real personality is invisible in eternity,
Terrible is the Lord and marvelous is His strength,
When you praise Him, exalt Him as much as you can,
When you exalt Him, put forth all your strength,
Because you can never praise Him enough,
Bless the God of all,
Who in every way does great things,
Who exalts our days since birth,
And deals with us according to His mercy,
I will give thanks to You, O Lord and my King,
And praise You as God my Savior,
I give thanks to Your holy name,
Because You are my Protector and Helper,
I remember Your mercy, O Lord, and Your works,
I appeal to the Lord, the Father of my Lord,
Never forsake me in the days of my affliction,
You delivered me in the greatness,
Of Your mercy and of Your holy name,
From the many afflictions that I endured,
From choking fire on every side,
And from the midst of the fire that I never kindled,
I praise Your name continuously,
And sing praises with thanksgiving,
I give thanks to You and praise You,

To Him who gives me wisdom I give glory,
May your soul rejoice in His mercy,
May you never be put to shame,
When you praise Him; you are enthroned forever,
You are the Lord our God, You alone will we praise,
How great is the house of God,
How vast the territories that He possesses,
It is great and has no bounds,
See the salvation of God which will come to you,
With great glory and the splendor of the Everlasting,
He will bring you everlasting joy with His salvation,
Put on the robe of righteousness from God,
Put on your head the diadem of glory of the Everlasting,
God will show your splendor everywhere under heaven,
Your name will be called forever by God,
Peace of righteousness and glory of godliness,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

You Alone

Your name and Your glory are to all eternity,

Your judgement will maintain its right in its own time,
Earth, Earth, Earth, hear the words of the mighty King,
The judgement of the Lofty One who has no respects of persons,
On our account He had no mercy on His own Son,
He afflicted Him before the foundation of the world,
So that we may have life eternal,
But you have trodden under foot His grace,
You use the creation sinfully and wrongfully,
Because I have always benefited you and,
You have always been ungrateful of the beneficence,
Those who walked in vanity say: Give us life,
They fear You Lord and left not Your ways,
On their account You had mercy on Zion,
Who, O Lord, will understand Your judgement,
We have all been made like a breath,
We depart not according to our will,
We know not what will befall us in the end,
The righteous justly hope for the end,
They have with You a store of works preserved in treasures,
With joy they hope to receive the world,
Which You promised them,
This world is a strife and labor with much trouble,
That which is to come is a crown with great glory,
O, You that created the earth,

You that fixed the firmament by Your Word,
You made firm the height of heaven by the Spirit,
You rule with great thought the hosts that stand before You,
Also the countless and invisible things which You created,
From the beginning from the flame and fire,
Which stand around Your throne where,
You rule with indignation,
You cause the drops of rain to wet the earth,
You alone know their number,
You alone know the conclusion of time before they come,
You alone are able to sustain all who are,
Those that are passed away and them that are yet to be born,
Those who sin and the righteous,
Because You alone are the Immortal,
What is strength of man that turns to sickness,
Or fullness of food that turns to famine,
Or beauty that turns to ugliness,
The nature of man is always changeable,
Your nature, O Lord, always remains the same,
On account of Your name, You have called us beloved,
Let Your glory appear,
Let the might of Your beauty be known,
Your Holy Spirit is the Creator of life,
My redemption has drawn nigh,

And is not as distant as it was,
It will come to pass that at that time,
You will see the long-suffering of the Most High,
Who has been long-suffering to them who are born of woman,
When a stupor seizes the inhabitants of the earth,
They will enter into the great tribulation,
Yea, into great torments,
When they say in their thought,
The Mighty One no longer remembers the earth,
It will come to pass that they abandon hope,
That at that time they will awaken,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

The Judge

When the time of the advent of the Messiah is fulfilled,
Treasures will be opened in which,
The souls of the righteous will come forth,
The first will rejoice and,
The last will never be grieved,
Because they know that it,

Is the consummation of the times,
Souls of the wicked will grieve the more,
Because they will know that their perdition has arrived,
Prepare your hearts so as to sow the seeds of the law,
The Mighty One is going to shake the whole creation,
Zion will be shaken so that it may be built again,
Afterwards it must be renewed in glory,
And be perfected forever more,
The times will change for good and,
You will see the reward of Zion,
In a little time are we born,
In a little time do we return,
This is the kindred which You have chosen,
These are the people, to whom You find no equal,
At all times are we blessed,
We are one people and one nation,
Who have received one law from the One,
Your judgement exacts its own and Your law exacts its own right,
Honor will be turned into shame,
Strength will be humiliated into utter contempt,
Decency will be destroyed,
Beauty will become ugliness,
Passion will seize him that is peaceful,
It will come to pass that a change of times will manifest,

Because in all those times they polluted themselves,
Women will uncover their thighs,
They will allow their wombs to be polluted,
They will be ashamed to be virgins,
They say: Break those hymens; break them all,
They practiced oppression and,
Walked every man in his own works,
They remembered not the law of the Mighty One,
A fire will consume their thoughts,
The Judge shall come and will not tarry,
Because of their pride they knew not Your law,
All these multitudes are going to corruption,
Nor is there numbering of these,
Whom the white fire will devour,
This transitory world in which you live,
Has made you endure much labor in a short time,
So in that world which has no end,
You will receive great light,
The earth will certainly return the dead,
In the same form it received them,
The glory of them who are justified in Your law,
Their splendor because their faces will be changed and glorified,
Their faces will be turned into the light of their beauty,
They are transformed into the splendor of the angels,

They will behold the world which is now invisible to them,
And the time which is now hidden from them,
Time will no longer cause them to age,
Before them the borders of paradise is spread out,
They are changed into any form they desire,
From beauty to loveliness and,
From light to glorious splendor,
Beauty and majesty of the living creatures,
Which are beneath the throne will be shown unto them,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Dispensation

For what have women lost their lives,
For what have men exchanged their souls,
They never choose the time and Kingdom,
Which is beyond the reach of anguish,
They choose the time and kingdom,
Whose results are full of lamentations and evils,
They deny the world in which,
They shall never grow old,

They reject the time of glory,
Let the tears be stored =up for the time of destruction,
Make your soul ready for what is reserved for you,
I will never be silent in praising the Mighty One,
With the voice of praise I will tell of His marvelous deeds,
Who comprehends your deepest thoughts of life,
I will cause Alleluias to ascend to You,
You establish every fountain of light beside You,
You prepared treasures of wisdom beneath Your throne,
Adam is never the cause of our destruction,
Except for His own soul,
Each one of us is the Adam of our own soul,
It is certain that he who believes will receive his due reward,
You will glorify the faithful according to their faithfulness,
The lamp of the eternal law,
Shone on all those who sat in darkness,
Which announces to them that believe,
The promise of their reward,
When Messiah has sat down,
On the throne of His Kingdom,
In peace for the dispensation,
Joy will be revealed and rest will appear,
Healing will descend in the dew,
Pain and sorrow will vanish from among men,

Gladness will go forth through the whole earth,
Wild beasts will come from the forests and,
Minister unto men and be subservient,
Worship Him that is full of mercy,
If He does not judge us according,
To the multitude of His mercy,
Woe to us all born of women,
But you will receive eternal hope,
Goliath the Gittite, a mighty man of valor,
You delivered him into the hands of David Your servant,
Because he trusted in your great name and,
Not in sword or spear, the battle is Yours,
The battle is Yours, the strength is from You,
You created the treasures of Your glory in the sky,
And the dominion of the holy ones,
A heart that melts shall be as a door of hope,
You will do to them as You did to pharaoh,
Give us victory to make for Yourself,
An everlasting name among the people,
Show Yourself as great and holy,
Before the remnant of the nations,
Because You have multitudes of holy ones,
In the heavens and an host of angels,
In Your exalted dwelling to praise Your holy name,

Fill the land with glory and,
Your heritage with blessing,
Rise up; O Hero and take Your saints,
O Glorious One, take Your redeemed,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Zion

You, O God, are awesome in the glory of Your dominion,
The company of Your holy ones,
Is in our midst for eternal support,
The Lord is holy,
The King of glory is with us,
The Hero is fighting our battles,
Victory to Him alone,
The host of His angels is with our steps,
The horse riders are as the mist covering the earth,
An abundance of gold and precious stones is in Your palace,
O Zion, rejoice greatly,
And shine with joyful songs,
O Jerusalem, rejoice and be glad,

Open your gates forever that,
The wealth of the nations might be brought to you,
Rule over the kingdom and,
Israel to reign eternally,
O Jerusalem, be exalted above the heavens,
O Lord, let Your glory be over all the earth,
Blessed is the God of Israel,
For all His holy purposes and works of truth,
Blessed are they who serve You righteously,
Who know Him by faith,
The lot of God is light eternal,
You are the God of our fathers,
We bless Your name forever,
Because we are eternal people,
You made an everlasting covenant with our fathers,
And You will establish it for their seed's sake,
Throughout the ages of eternity,
In all the testimonies of Your glory,
There has been remembrance of Your kindness,
As assistance to the remnants and survivors,
For the sake of Your covenant,
We recount Your wondrous strength,
O God You created us for Yourself as an eternal people,
You cast us into the lot of light,

In accordance with Your truth,
You approved the Prince of light to assist us,
All the sons of light are in His dominion,
We rejoice in Your mighty hand,
We rejoice in Your salvation,
Who is like You in strength, O God,
Yet Your mighty hand is with the oppressed,
What angel or prince is like You,
You appointed for Yourself a day of great battle,
To support truth and destroy iniquity,
To lend might to light and for an eternal stand,
Blessed s the God of my father Isaac,
Who guards loving-kindness for His covenant,
And the appointed time for the people He redeems,
He has opened the mouth of the dumb,
To sing God's mighty deeds,
To teach feeble hands warfare,
He gives those whose knees shake,
Strength to stand and praise Him,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Majestic

Blessed is Your name,
O God of loving-kindness,
The One who kept the covenant for our forefathers,
Throughout all generations You make,
Your mercies wondrous to the remnant of the people,
When men condemned themselves,
You preserve their lives so that,
They come to repentance and,
The full knowledge of who You are,
You raised up the fallen by Your strength,
But the great You will cut,
Them down to humble them,
The honored men You will shame them,
All their vain existence shall be as nothing,
Your holy people shall praise Your name,
For Your works of truth,
Because of Your mighty deeds we shall,
Exalt Your splendor in the morning, at noon,
In the evening unto all eternity,
Your glorious purpose is great and,
Wonderful mysteries are in the high heavens,
To raise up for Yourself those in the dust,

And to humble the proud hearted,
Rise up, rise up, O God of gods,
Raise Yourself in power, O King of kings,
Let the light of Your majesty shine forever,
The purpose of God is eternal redemption,
Blessed is God who tests the hearts of His people,
God of Israel is all that is and ever will be,
He alone is in all which exists for eternity,
He will send eternal support for His redeemed,
By the power of the majestic angel,
And the authority of Michael,
By external light He shall joyfully,
Light up the covenant of peace and blessing,
To exalt the authority of Michael,
Righteousness shall rejoice on high,
All sons of His truth shall rejoice in eternal knowledge,
O sons of His covenant, take courage in God,
Till He shall wave His hand,
And complete His fiery trials,
His mysteries concerning your existence,
Blessed is Your name, O God of gods,
You have done wonderful things for Your people,
You have kept the covenant for us,
Many times You have opened the gates of salvation,

You provide in accord with Your goodness towards us,
You, O God of righteousness, have acted for Your name's sake,
You have done wonders upon wonders unto us,
Your power has shined for us,
You have shown us Your hand of mercy,
Towards us in eternal redemption,
This is the hand of Your strength,
Yours is the might and there is no God like You,
Our majestic One is holy,
Glory to God Most High,
He is from everlasting to everlasting,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Oil of Mercy

It is You, O Lord, whom we must worship,
Give glory to the all-wise God,
Blessed is the man who opens his lips in praise,
Of God of Sabaoth and,
Praises the Lord with his heart,
Blessed is he who opens his lips,

Blessing and praising God,
Before all creatures were created,
He created the visible and invisible things,
Blessed is he who blesses the Lord's works,
God the Most High will bless you forever,
That light is the author of everlasting light,
Who has promised to translate us to eternal life,
Mine eyes have seen Your salvation,
Which You prepared before the face of all people,
A light to enlighten the gentiles,
And the glory of Your people Israel,
Christ, the most merciful, Son of God,
Came on earth to raise bodies of the dead,
We He came He was baptized on Jordan,
Then with the oil of His mercy He will,
Anoint all those who believe in Him,
The oil of His mercy will continue for future generations,
To those born of the water and the Holy Ghost,
Unto life eternal into the everlasting,
Sing unto the Lord, all saints of His,
Give thanks at the remembrance of His holiness,
Because His anger endures but for a moment,
In His favor is life,
O sing unto the Lord a new song,

For He has done marvelous things,
His right hand and His holy arm,
Have gotten Him the victory,
The Lord has made known His salvation,
His righteousness has been openly shown,
Blessed is He who comes in the name of the Lord,
Because the Lord has enlightened us,
This is our God forever and ever,
Blessed are You, O Almighty God, the Father of goodness,
Almighty King and the Father of mercy,
Who brings us to the mercy of paradise,
Praise God of the lofty heights,
Let the holiest God sanctify the King of glory,
Who sanctifies by holiness all His holy ones,
Exalt His exaltedness to exalted heaven,
At the word of His mouth,
Came into being all His lofty angels,
At the utterance of His lips,
All eternal spirits sprang forth,
By the intention of His Knowledge,
All creatures praise Him in their undertakings,
Sing His glory with the tongue,
All who sing with knowledge,
Utter His wonderful songs of joy,

With your mouth all those who rejoice,
Blessed be the Lord who executes righteous deeds,
Crowning His saints with loving-kindness,
My soul wants to praise Your name,
To sing high praises for Your loving deeds,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Tribulation

Glory to Thee and might unto ages,
Will that tribulation which is to be,
Continue for a long time,,
Into twelve parts is that time divided,
And each one of them is reserved,
For that which is appointed for it,
In the first section there will be beginning of commotions,
In the second section killing of the great ones,
In the third section fall of many by death,
In the fourth section sending of the sword,
In the fifth section famine,
In the sixth section earthquakes,
In the seventh section a multitude of specters,

In the eighth section the fall of fire,
In the ninth section much oppression,
In the tenth section rapine,
In the eleventh section hedonism and wickedness,
In the twelfth section confusion,
Slices of time are reserved and,
Will be mingled together and reinforce one another,
This is the consummation of the times,
Measure and reckoning of that time are two parts,
A week of seven weeks,
Whatever will befall the whole world,
All who live in those days will experience,
I will protect only those in the land of Israel,
When all is accomplished in those sections,
The Messiah will begin to be revealed,
The earth will yield its fruits ten thousand fold,
Each vine shall have a thousand branches,
Each branch will produce a thousand clusters,
Each cluster to produce a thousand grapes,
And those who have hungered will rejoice,
They will behold marvels every day,
Winds will go forth before Me every,
Morning to bring the fragrance of aromatic fruits,
Treasury of manna shall ascend from on high,

They will eat of it in those days,
Because they will have come to the end of time,
When the advent of the Messiah is fulfilled,
He shall return in glory,
All the fallen asleep in the hope of Him,
He shall revive them and they rise again,
The first shall rejoice and the last shall never grieve,
As it is said: This is the consummation of the times,
The Kingdom of the Messiah will be revealed,
Which is like the fountain and the vine,
And His Kingdom shall stand forever,
Time will advance to time and season to season,
The conclusion of everything will be compared,
According to the measure of times and,
The hours of the seasons,
The dust will be called and God shall say to it:
Give back which is not yours and,
Raise up all that you have kept until this time,
That which is to come will be the object of desire,
For that which comes afterwards will we hope,
It is a time that will never pass,
The hour comes which abides forever,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,

And the Lord shall be King over all,

In that day shall the Lord be one,

And His name One.
